

Essential Roadworks

A574 Warrington Road Structural Maintenance Starting 10 February 2020 for up to 9 Weeks

Residents, Businesses and Motorists are advised that major road works to resurface three sections of A574 WARRINGTON ROAD are programmed to commence on 10 February 2020 and will take up to 9 weeks to complete.

The road, and its side roads, will be closed, in phases, between 7:00pm and 1:00am to undertake the works safely.

All roads will be fully open to traffic outside these times.

- Phase 1 Surfacing between Hey Shoot Lane and the Railway Bridge
- Phase 2 Surfacing between Waltham Avenue and Bents Roundabout
- Phase 3 Surfacing adjacent to the pedestrian crossing at Churchill Avenue

Pedestrian access will be maintained at all times during the works.

Vehicular access will be under the control of the contractor as directed on site. Vehicles parked on the road or footway obstructing the works may be removed.

Information on bus services will be posted at stops prior to the commencement of the works.

Further information and diversion routes will be available at www.warrington.gov.uk/roadworks.

Cones, barriers and signs are there for a reason - to protect our workers from danger and to keep the public safe. We urge drivers to pay close attention to safety when driving near roadworks.
